ABSTRACT

An orphanage is a place where underage children and the poor are placed in order to get a better life. With funding from donors who come from various people and various circles. So that not a few orphanage foundations are increasingly developing in terms of facilities, curriculum, business entities, etc. Due to the large number of donations that have come in, residents of the orphanage foundation sometimes misinterpret donations. So that there are many opportunities to take advantage of the conditions in the foundation to get better donations. Seen from the foundation's own foster children, who interpret donations when they are in their position in the foundation. As well as what impact is felt either directly or indirectly from the donation. The joint iftar event has become part of the holy month of Ramadan in this country. Iftar together is a routine agenda held by various groups, extended families, and an organization. Iftar together is not just eating together, but also used as a moment of hospitality and others.

Keywords: orphans, foundations, donations, iftar together

1. INTRODUCTION

An orphanage is an institution engaged in the social sector to help children who no longer have parents. In the Big Indonesian Dictionary (2001), an orphanage is a place to care for and care for orphans or orphans. The definition of an orphan is not having a father, while an orphan is not having a father and mother. However, not only for orphans and orphans, orphanages are also open for children other than them, such as abandoned children. Disadvantaged children as described above can also live in orphanages. The number of orphanages is up to half a million children. The Indonesian government only owns and operates a few of these orphanages, more than 99% of orphanages are run by the community, especially religious organizations (Sudrajat,

The month of Ramadan is a month that brings blessings to all mankind in this hemisphere. Iftar is a routine agenda held by various groups, extended families, and an organization. Iftar activities are not just routine activities that are usually carried out every year when the month of Ramadan arrives, but this time the iftar has an important meaning, namely hospitality .

2. METHOD OF IMPLEMENTATION

2.1 Activity Method

The method of this activity is in the form of social service to the orphanage to the miftahul jannah orphanage. This activity is carried out to share with the orphanage and break the fast together which is carried out by the Serdang Bedagai student association.

2.2 Structure of Activities

3. RESULTS

3.1 Materials for the Miftahul Jannah Orphanage Receive Compensation and Iftar Together:

The Serdang Bedagai Student Association (IKMA SERGAI) held compensation for orphans and breaking fast together at the Miftahul Jannah Orphanage, Dewantara, Tambon Tunong, North Aceh. Tremendous enthusiasm was shown by all the children of the Miftahul Jannah orphanage and a warm welcome from Cut Rosna's mother as the owner of the Miftahul Jannah Orphanage with the arrival of students from Serdang Bedagai. Series after series of events carried out very well. Al-Qur'an reading by one of the female students and a joint prayer led by the Miftahul Jannah Orphanage students. Then it was continued with the delivery of a brief speech delivered by one of the Sergai IKMA students. Not only that, IKMA Sergai also performs congregational prayers ah with all the Orphanage children and continued with eating together. At the end of the IKMA event, Sergai gave compensation to all the children of the Miftahul Jannah Orphanage.

Interestingly, this activity of breaking together and social service was not only attended by IKMA Sergai, but also attended by Dr. Rico Nur Ilham, SE., MM as the supervisor of IKMA Sergai as well as a lecturer from Malikussaleh University, and accompanied directly by a Malikussaleh lecturer, namely Mrs. Likdanawati. SE., MSI. This event was also attended by Malikussaleh University Lecturers. "Utilizing digital literacy is meant by using social media properly and correctly, searching for and understanding information properly, increasing individual abilities to be more critical in thinking and to add broad insights," said Dr. Rico Nur Ilham, SE., MMRSA. CPRM.

"Students who want to study can try the list of lectures at Malikussaleh University, at Malikussaleh University there are many majors that interest you and there are many opportunities to get student fees for students. There's no time to complain. Keep dreaming to pursue your goals, keep learning and achieve your dreams," said Likdanawati. SE., MSc.

"Hopefully with this event, I and all of IKMA Sergai hope that a good relationship will continue to be established between IKMA Sergai and the Miftahul Jannah Orphanage. I hope that all the children of the Miftahul Jannah Orphanage will be even more enthusiastic in learning to achieve their goals and always be consistent in doing kindness. There is no word fail for people - people who always try." said Danish, as general chairman of the Serdang Bedagai Student Association.
